	NAME OF THE EXP	MAKE-UP DATES
EXP 1	Introductory to Laboratory Techniques	will be announced.
EXP 2	Law of Definite Proportions	will be announced.
EXP 3	Titration of Acids and Bases	will be announced.
EXP 4	Determination of The Atomic Weight of a Metal	will be announced.
EXP 5	Stoichiometry: The Reaction of Iron with Copper(II) Sulfate	will be announced.
EXP 6	Heat of Neutralization	will be announced.
